Subject: Salute to Medical First Responders

Councilmembers,

The Blaine Police Department has organized a “Salute to Medical First Responders.” Tomorrow, members from multiple Whatcom County law enforcement and fire service agencies will drive in formation from a staging area in Bellingham to the Peace Health St. Joseph Medical Center.

All emergency vehicles will come to a stop in the hospital parking lot, where they will remain for a short time with their emergency lights activated as a thank you to the dedicated medical staff working on the front lines of the COVID-19 Crisis.

This is one of the many ways that people have been reaching out to show support to medical staff during the crisis. The effort here in Whatcom County was organized by Chief Tanksley and his staff.

Michael Jones, MPA
