Dear Blaine City Council Members and City Manager Jones,

I hope this email finds you well and safe. Thank you for all you are doing to keep Blaine residents safe and healthy.

We would like to share a [virtual tour](#) of our COVID-19 activities. It's a good representation of all the new systems we've had to ramp up in a few weeks to address patient and staff safety amid the COVID-19 pandemic. We have instituted similar changes in Ferndale at our North Whatcom Health Center.

We have been working closely with Unified Command and the Whatcom County Health Department through this pandemic. We are grateful to be able to work alongside such committed people.

Jennifer
