Hello!

My name is Izzie Lund and I am a reporter for the Western Front at Western Washington University. I am currently covering a story about the Iranian American citizens who were allegedly detained at the US-Canadian border. Is anyone from the Blaine city council available to speak with me on the phone to answer a few questions before Monday at noon? You can reach me through this email address, [izzielund.westernfront@gmail.com](mailto:izzielund.westernfront@gmail.com), or through my phone number at 425-260-9867.

Thank you so much for your time!

Sincerely,  
Izzie Lund
