Background/Summary:

The City of Blaine Resolution 1658-15 established the Public Works Advisory Committee. Colin Hawkins has been on the committee since its inception, and Ted Metz has been a committee member since January, 2018. These terms expired on 12/31/19 and both gentlemen are interested in continuing to serve on the committee. In addition, Annette Collins, whose term expired the end of 2020, has moved outside of the city limits. Ed Castaneda, has made application to serve on the committee and is available to fill her now-vacant seat. Mr. Castaneda is retired after a career in facilities, utilities and energy management in the public sector.

As an aside, during the 2020 council re-assignments that took place on January 13, Councilmembers Baldwin and May were assigned to the committee. Public Works appreciates all the time and support provided to the committee by Councilmembers Davidson and Steward.
