Dear Neighbor:

Harbor Custom Development will be hosting a community conference to introduce and discuss a project proposal to the City of Blaine to develop a 37.02-acre parcel located north of Semiahmoo Pkway, lying between Snow Goose Lane to the west and Shintaffer Road to the east, into a residential subdivision consisting of 65 single-family residences, as well as 13.9 acres of open space, private roadways, utilities and stormwater facilities. The purpose of this meeting is to inform neighboring property owners about the nature of the proposed project and to seek comments. Interested parties are invited to attend and provide input on the preliminary plan.

It is anticipated that upon approval of the project, construction would begin in the spring of 2023.

We look forward to your attendance, and welcome any comments you may have either at the meeting, or by writing to the address below.
